IN RE: Case No.: 12-30081-BKC-EPK
CLSF III IV, Inc., *et al.*, Chapter 7
Debtors. (Substantively Consolidated)

**TRUSTEE'S CORRECTED OMNIBUS MOTION TO APPROVE SETTLEMENT
BETWEEN DEBORAH C. MENOTTE, TRUSTEE AND MAATSCHAP QI
COLLECTIEF REGARDING BGI FUND CLAIMS**

Deborah C. Menotte, the duly appointed and permanent Chapter 7 Trustee (the "Trustee") for the substantively consolidated bankruptcy estate of CLSF III IV, Inc., *et al.* (collectively, the "Debtors"), by and through undersigned counsel, files this *Trustee's Omnibus Motion to Approve Settlement Between Deborah C. Menotte, Trustee and Maatschap QI Collectief Regarding BGI Fund Claims* (the "Motion"), pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure, seeking approval of a compromise and settlement between the Trustee and Maatschap QI Collectief ("MQIC") regarding claims asserted by MQIC and certain of its assignors (collectively, the "MQIC BGI Claimants"), based on their investments in various BGI funds (collectively, the "MQIC BGI Claims"), and in support states:

Background

1. On August 22, 2012 (the "Petition Date"), the above-captioned bankruptcy case was commenced by the filing of an involuntary petition for relief in this Court against CLSF III IV, Inc. (the "Debtor") under Chapter 7 of the Bankruptcy Code.

2. Thereafter, thirty-two affiliates (the "Affiliates") of the Debtor (together with the Debtor, collectively, the "Debtors") filed voluntary petitions for relief under Chapter 7 of the

Bankruptcy Code between October 24, 2012 and November 7, 2012.

3. Deborah C. Menotte is the duly appointed and acting Chapter 7 Trustee of the Debtors' estate.

4. On October 2, 2013, the Court entered an *Order Granting Trustee's Second Amended Motion for Substantive Consolidation of the Jointly Administered Bankruptcy Estates* [ECF No. 561] (the "Sub Con Order"), which order served to substantively consolidate the Affiliates and certain non-debtor entities ("Non-Debtor Entities") with the Debtor, including Peck Associates Palm Beach, LLC d/b/a Deborah C. Peck, P.A.

5. On August 6, 2014, the Court entered an *Order Granting Trustee's Amended Motion for Substantive Consolidation of the Bankruptcy Estate of Deborah Catherine Peck, Debtor, [Case No. 14-14507-BKC-EPK], and Non-Debtor Deborah C. Peck, Esq., P.A., With the Substantially Consolidated Debtors and Memorandum of Law in Support* [ECF No. 857], which order served to substantially consolidate the Chapter 7 case of Deborah Catherine Peck (Case No. 14-14507-BKC-EPK) with the cases of the Debtors, Affiliated Debtors and Non-Debtor Entities.

6. On February 2, 2019, the Court entered a corrected order approving a prior settlement agreement between the Trustee and MQIC regarding certain *non*-BGI fund claims. [ECF No. 1769]

7. Through this Motion, the Trustee seeks to resolve all disputes between the Trustee and the MQIC BGI Claimants with respect to the MQIC BGI Claims as set forth in the spreadsheets attached to this Motion as **Exhibits A and B** (the "MQIC Settlement"). Specifically, Exhibit A sets forth details regarding the MQIC BGI Claims and memorializes an agreement between the Trustee and the MQIC Claimants—the MQIC Settlement—that, with one

exception, provides that the MQIC BGI Claims shall be compromised at 50% of the amount reflected in the Trustee's records as being owed to the claimants.. The stated exception is that the allowed amount of the MQIC BGI Claims shall first be reduced, dollar for dollar, for any and all monies the MQIC BGI Claimants received on the basis of their MQIC BGI Claims regardless of the source from the date of their investment in any BGI fund through the date of the filing of this Motion. The allowance of the MQIC BGI Claims in the amounts reflected in Exhibit A shall not affect the allowance of any other claim filed by MQIC and/or its assignors unrelated to any BGI fund or the ability of the Trustee to object to such claims on any ground available to the Trustee. Moreover, to the extent that the MQIC BGI Claimants included in Proofs of Claim (not previously stricken as duplicative *see* [ECF No. 1793 (order)], or to be stricken as duplicative based on a pending objection [ECF No. 1804] (pending) amounts invested in non-BGI Funds (*i.e.*, CLSF, LSF or LIP funds), those claims will be allowed in the amounts reflected in the Debtors' books and records. *See Exhibit B.*

8. Beyond service of this Motion and Exhibits A and B by the Trustee, MQIC will serve this Motion and Exhibits A and B on its members per its most updated email and mailing address lists. To the extent that any of those addresses fail to provide an avenue for service, MQIC will file an Affidavit of Service with the Court that explains the efforts MQIC took to make sure that service of this Motion and is as complete as possible and that all sources of contact information were exhausted in any unsuccessful attempts to serve an MQIC member with the Motion and attendant exhibits. If MQIC is unsuccessful in serving any of its members, the Affidavit of Service will so provide.

9. The Trustee submits that a compromise of the MQIC BGI Claims as set forth in Exhibits A and B is in the best interests of the Debtors' estate and the MQIC BGI Claimants.

This is so because (i) the amount of claims filed against the Debtors' estate greatly exceeds the funds on hand in the substantively consolidated estate in the amount of approximately \$8.4 Million, of which \$2,250,000 Million is already earmarked to be paid to MQIC to satisfy the balance of the by prior order of the Court *see* [ECF No. 296] and an unsecured priority claim of the Internal Revenue Service in the amount of \$1,038,819.10 (Claim No. 17-2 filed in the chapter 7 estate of Deborah Catherine Peck; Case No. 14-14507-EPK); (ii) while the Trustee is pursuing enforcement and collection efforts outside the United States in connection with judgments she obtained against, among others, Dennis Edward Moens and Simon Franciscus Wilhemus Laan, there is no guarantee as to when such efforts will conclude (assuming there is no court-approved abandonment by the Trustee) or whether the Trustee will be successful and, if she is, the actual value of any recovered assets; (iii) the time and expense in terms of legal fees that Trustee's undersigned counsel and financial advisors would incur in analyzing and litigating each of the MQIC BGI Claims would be substantial and necessarily reduce, dollar for dollar, any funds available for distributions on those Claims; and (iv) as with any litigation, there is no guarantee of success by the Trustee if she litigated the MQIC BGI Claims based on the language in the varying prospectus' that formed the contractual basis for the MQIC BGI Claims. Accordingly, by this Motion, the Trustee requests the entry of an Order approving the MQIC Settlement.

Legal Analysis

10. The Trustee seeks approval of the MQIC Settlement pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure.

11. Rule 9019(a) provides that, after notice and a hearing, a court may approve a proposed settlement of a claim. The decision of whether or not to approve a compromise is

within the sound discretion of the court. *In re Carson*, 82 B.R. 847 (Bankr. S.D. Ohio 1987); *In re Mobile Air Drilling Co.*, 53 B.R. 605 (Bankr. N.D. Ohio 1985).

12. In passing on proposed settlements, the standard that courts applied under the former Bankruptcy Act is the same standard as courts should apply under the Bankruptcy Code. *In re Carla Leather, Inc.*, 44 B.R. 457, 466 (Bankr. S.D.N.Y. 1984). As stated by the United States Supreme Court in *Protective Committee v. Anderson*, 300 U.S. 414 (1968), under the Act, to approve a proposed settlement, a court must find that the settlement was “fair and equitable” based on an educated estimate of the complexity, expense, and likely duration of . . . litigation, the possible difficulties of collecting on any judgment which might be obtained and all other factors relevant to a full and fair assessment of the wisdom of the proposed compromise. *Protective Committee*, 300 U.S. at 424.

13. This test was adopted by the Eleventh Circuit in *In re Justice Oaks II, Ltd.*, 898 F.2d 1544, 1549 (11th Cir. 1990), which provides additional guidance as to whether a compromise should be approved. *Justice Oaks* established a four-part test for approval:

- (a) The probability of success in litigation;
- (b) The difficulties, if any, to be encountered in the matter of collection;
- (c) The complexity of the litigation involved and the expense, inconvenience and delay necessarily attending it; and
- (d) The paramount interest of the creditors and a proper deference to their reasonable views in the premises.

14. The MQIC Settlement satisfies the *Justice Oaks* standards.

15. Applying the foregoing, the terms of the MQIC Settlement satisfies that four-part test relating to the Rule 9019 request. The Trustee believes that after full and careful

consideration of the merits of the MQIC BGI Claims, settlement of those Claims pursuant to the terms set forth herein would be in the best interests of the Debtors' estate.

16. The Trustee believes that, pursuant to Section 502(d) of the Bankruptcy Code, she can object to the MQIC BGI Claims and compel the MQIC BGI Claimants to return payments they received representing what the Trustee contends, in most cases, represent interest payments before any of them would be entitled to allowed claims and distributions based on such claims. On the other hand, MQIC, through its U.S.-based counsel, disputes in certain circumstances that the funds received by the MQIC BGI Claimants constitute interest. The dispute over whether the payments received by the MQIC BGI Claimants is based upon differing investment documents and an interpretation of those documents. There is significant uncertainty regarding the outcome of litigating these matters, involving hundreds of claims, and more fundamentally, engaging in full-blown litigation will necessarily require substantial time and expense, including fees for lawyers and financial professionals which will, in turn, delay closing of these chapter 7 cases and ultimately distributions of the limited and finite amount of funds on hand. Additionally, counsel for the Trustee is mindful of the additional administrative expenses that will be incurred in the event that the MQIC Settlement is not approved. Given the limited funds available for distribution to creditors in this case, protracted litigation regarding claims allowance would necessarily reduce these limited funds through administrative expenses that is unlikely to benefit the creditor body as a whole. Accordingly, the Trustee believes that resolution of the above-referenced matters in the manner set forth herein is reasonable and falls well within the range of reasonableness as required by Rule 9019 of the Federal Rules of Bankruptcy Procedure and applicable law.

WHEREFORE, the Trustee respectfully requests that this Court enter an Order substantially in the form attached hereto as **Exhibit C**:

- a. Granting this Motion;
- b. Approving the MQIC Settlement; and
- c. Granting such other and further relief as the Court deems just and proper.

Dated: July 9, 2019
