**TRUSTEE'S MOTION TO APPROVE MEDIATED SETTLEMENT AGREEMENT  
BETWEEN (I) TRUSTEE; AND (II) FIRST POLICY TRUST, AN OHIO BUSINESS  
TRUST, WITH RESPECT TO ADVERSARY NO.: 13-01727-EPK**

**NOTICE**

**Any interested party who fails to file and serve a written response to this motion within 21 days after the date of service stated in this motion shall, pursuant to Local Rule 9013-1(D), be deemed to have consented to the entry of an order in the form attached to this motion. Any scheduled hearing may then be canceled.**

Deborah C. Menotte, the duly appointed and acting Chapter 7 Trustee (the "Trustee") for the bankruptcy estate of CLSF III IV, Inc., *et al.*, by and through undersigned counsel, pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure, files this *Trustee's Motion to Approve Mediated Settlement Agreement Between (I) Trustee; and (II) First Policy Trust, an Ohio Business Trust, With Respect to Adversary No. 13-01727-EPK* (the "Motion"), seeking approval of a compromise and settlement between (i) the Trustee; and (ii) First Policy Trust, an Ohio Business Trust ("First Policy," and, together with the Trustee, "the Parties"), and in support states:

**Background**

1. On October 24, 2012 (the "Petition Date"), the Debtor, CLSF III IV, Inc. (the "Debtor") commenced the above-captioned bankruptcy case by the filing of a voluntary petition

for relief in this Court under Chapter 7 of the Bankruptcy Code.

2. Thereafter, thirty-two affiliates (the “Affiliates”) of the Debtor (together with the Debtor, collectively, the “Debtors”) filed voluntary petitions for relief under Chapter 7 of the Bankruptcy Code between October 24, 2012 and November 7, 2012.

3. The Trustee is the duly appointed and acting Chapter 7 Trustee for the bankruptcy estates of the Debtors.

4. On December 11, 2012, the Chapter 7 cases of the Debtors were jointly administered pursuant to this Court’s *Order of Joint Administration of Related Cases With CLSF III IV, Inc. as Lead Case* [ECF No. 120].

5. On October 2, 2013, the Court entered an *Order Granting Trustee’s Second Amended Motion for Substantive Consolidation of the Jointly Administered Bankruptcy Estates* [ECF No. 561] (the “SubCon Order”), which granted the substantive consolidation of the bankruptcy estate of the Debtor with that of its affiliated debtors, and seventy-four other non-debtor entities.

6. On October 2, 2013, the Plaintiff filed a *Complaint to Avoid and Recover Fraudulent Transfer, for Turnover, and for a Preliminary Injunction and Permanent Injunction* [Adv. ECF No. 1] (the “Complaint”), thereby initiating Adversary No.: 13-01727-EPK (the “Adversary Proceeding”). The Complaint alleges that an alter ego of the Debtor, The Klara Rosenberg Insurance Trust UA (“Rosenberg Trust”), sold a life insurance policy (Policy Number xx-xxx0454) (the “Rosenberg Policy”) to First Policy Trust, which was issued by Lincoln National Life Insurance Company in the face amount of \$10,000,000 on the life of Klara Rosenberg.

7. On November 22, 2013, the Trustee filed an *Amended Complaint to Avoid and*

*Recover Fraudulent Transfers, for Turnover, and for a Preliminary Injunction and Permanent Injunction* [Adv. ECF No. 14] against First Policy in which the Trustee added an additional alternative count, Count VI, to avoid a postpetition transaction, in the event the transfer to First Policy was made after the commencement of the case.

8. Pursuant to the Court's *Order of Referral to Mediation* [ECF No. 35] entered in the Adversary Proceeding, the Court ordered the Parties to participate in mediation, and the mediation was conducted on April 11, 2014.

### **Settlement and Compromise**

9. The mediation conducted on April 11, 2014 resulted in a settlement and the Trustee and First Policy have entered into a *Mediated Settlement Agreement* (the "Settlement Agreement"), a copy of which is attached hereto as **Exhibit "A,"** and is subject to the approval of this Court after notice and hearing.

10. By this Motion, the Parties seek to resolve the Adversary Proceeding and all other disputes between them, upon the following terms and conditions as set forth in the Settlement Agreement:

A. **Sale and Marketing of Insurance Policy.** The Trustee shall have the exclusive right to market and sell the Rosenberg Policy, to the highest and best bidder for cash, subject to the sale requirements of the Settlement Agreement.

(i) **Documentation.** First Policy shall, on or before 28 days after execution of the Settlement Agreement (but sooner if in First Policy's possession), provide to the Trustee (to the extent it has them) any and all documents relating to the Rosenberg Policy, including but not limited to the following: (a) documentation showing that First Policy is currently recognized by the insurer of the Rosenberg Policy as the legal owner of the Rosenberg

Policy, (b) any documentation or information that it has regarding the health or medical conditions of the insured of the Rosenberg Policy, (c) any life expectancy reports from any source obtained for the Rosenberg Policy, (d) any medical records relating to the insured under the Rosenberg Policy, (e) all HIPPA forms and other documentation which would allow a release of medical records of the insured of the Rosenberg Policy, (f) any and all documentation relating to the purchase of the Rosenberg Policy by First Policy, (g) all correspondence with the insurer of the Rosenberg Policy and documentation received, including but not limited to any annual statements, premium payment history, record of premium payments made, (h) any other documentation relating to the Rosenberg Policy, (h) a copy of all transaction documents relating to the initial or subsequent change of ownership or beneficiary, and (i) a collateral assignment of the Rosenberg Policy in favor of the Trustee pending sale. First Policy shall immediately, upon execution of the Settlement Agreement by all parties, provide documentation sufficient to establish that the Rosenberg Policy is in full force, not in grace or lapse, and that all required premiums have been paid. First Policy shall immediately execute any reasonable documentation that the Trustee requests First Policy to execute that would permit the Trustee or her advisors to communicate and obtain documentation from the insured or the insurer of the Rosenberg Policy, including the execution of a Third Party Authorization in a form satisfactory to the insurer of the Rosenberg Policy.

(ii) **Sale Deadline**. The deadline for the Trustee to file a motion to approve a sale of the Rosenberg Policy with the Bankruptcy Court shall be 180 days after execution of the Settlement Agreement by all parties (the “Sale Deadline”). The closing shall take place when the insurer transfers the legal title to the Rosenberg Policy to the purchaser. (the “Closing” or “Closing Date”).

a. **Reserve Price for Sale.** The Trustee shall not sell the Rosenberg Policy for an amount less than the First Policy Trust Reimbursement Amount (as defined in the Settlement Agreement).

b. **Sale of Policy.** In the event the Trustee sells the Rosenberg Policy in a transaction which meets all the requirements of the Settlement Agreement for such a sale, (a “Qualified Third Party Sale”), then at the Closing of such Qualified Third Party Sale, First Policy shall execute such documentation as is required by the insurer on the Rosenberg Policy to transfer the ownership and beneficiary status to the purchaser or its designees. Prior to such Closing, ownership of the Rosenberg Policy, subject to the terms of the Settlement Agreement, shall remain status quo.

c. **First Policy Reimbursement Amount.** In the event the Trustee closes on a Qualified Third Party Sale, at the Closing of such sale (and any Court order approving such sale shall so provide), the Trustee shall disburse to First Policy the sum of \$875,000 (the “First Policy Reimbursement Amount”).

d. **Purchase By First Policy.** In the event the Trustee is unable to close on a Qualified Third Party Sale of the Rosenberg Policy, then First Policy shall buy from the Trustee all of the estate’s right, title, and interest in and to the Rosenberg Policy for a total sum equal to any premium payments made directly by the Trustee or reimbursed to First Policy by the Trustee after the date of the Settlement Agreement.

e. **Claim of First Policy.** Upon approval of the Settlement Agreement, then First Policy shall be entitled to file a Proof of Claim in this bankruptcy case in the sum of \$320,153, which shall be allowed as a timely general unsecured claim (“GUC Claim”). In the event that the Trustee is unable to file a motion to sell the Rosenberg Policy by

the Sale Deadline pursuant to the terms of the Settlement Agreement, and First Policy retains legal title to the Rosenberg Policy, then the GUC Claim shall be withdrawn.

B. **Payment of Rosenberg Policy Premiums Until Closing Date.** First Policy shall continue to timely pay all premiums at a level necessary to keep the Rosenberg Policy in full force and effect, and the Trustee shall promptly reimburse such premium payments made after the date of the Settlement Agreement to First Policy, subject to Bankruptcy Court approval. First Policy shall provide the Trustee with any and all notices received with regard to premiums due on the Rosenberg Policy from the date of the Settlement Agreement until the Closing Date, with such notices to be provided within 3 days of receipt via email to the Trustee at [dmenotte@gmail.com](mailto:dmenotte@gmail.com).

C. **Death Benefits.** In the event the insured on the Rosenberg Policy dies, the Trustee shall be entitled to the receipt of the full death benefit. In the event that the insured dies prior to the Sale Deadline, the Trustee shall pay First Policy out of the death benefit proceeds the sum of \$1,195,153, representing out of pocket payments made by First Policy with regard to the purchase of the Rosenberg Policy, plus interest at 10% per annum dating back to the date such payments were made. A schedule of these payments is attached hereto as **Exhibit "B."**

D. **Adversary Proceeding.** The Parties shall jointly request that the pretrial conference on the Adversary Proceeding and any applicable deadlines relating to the Trustee's pending Motion for Summary Judgment be continued for a period of sixty days to allow the Bankruptcy Court to consider approval of the Settlement Agreement.

E. **Dismissal of Adversary Proceeding/Releases.** Upon the full compliance by the Parties of the Settlement Agreement and provided the Settlement Agreement is approved

by the Bankruptcy Court, the Trustee shall cause the dismissal of the Adversary Proceeding, subject to compliance with the terms of the Settlement Agreement and First Policy, and its members, shareholders, agents and managers shall be automatically, fully and finally released from all claims, causes of action, damages, costs, losses, expenses, and demands of any kind or nature whatsoever, known or unknown, arising in, under, or related to the Rosenberg Policy and the Trustee shall automatically be released by First Policy to the same degree and scope, except that such releases shall not act to release any of the obligations under the Settlement Agreement.

11. The Trustee believes that the Settlement Agreement is in the best interests of the Debtor's estate, its creditors and First Policy.

12. The Settlement Agreement represents a compromise and settlement that resolves the Trustee's claims to recover fraudulent transfers amicably without the concomitant costs associated with further litigating such matters.

### **Legal Analysis**

13. The Trustee seeks approval of the Settlement Agreement pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure.

14. Rule 9019(a) provides that, after notice and a hearing, a court may approve a proposed settlement of a claim. The decision of whether or not to approve a compromise is within the sound discretion of the court. *In re Carson*, 82 B.R. 847 (Bankr. S.D. Ohio 1987); *In re Mobile Air Drilling Co.*, 53 B.R. 605 (Bankr. N.D. Ohio 1985).

15. In passing on proposed settlements, the standard that courts applied under the former Bankruptcy Act is the same standard as courts should apply under the Bankruptcy Code. *In re Carla Leather, Inc.*, 44 B.R. 457, 466 (Bankr. S.D.N.Y. 1984). As stated by the United States Supreme Court in *Protective Committee v. Anderson*, 300 U.S. 414 (1968), under the Act, to approve a proposed settlement, a court must find that the settlement was "fair and

equitable” based on an educated estimate of the complexity, expense, and likely duration of . . . litigation, the possible difficulties of collecting on any judgment which might be obtained and all other factors relevant to a full and fair assessment of the wisdom of the proposed compromise. *Protective Committee*, 300 U.S. at 424.

16. This test was adopted by the Eleventh Circuit in *In re Justice Oaks II, Ltd.*, 898 F.2d 1544, 1549 (11<sup>th</sup> Cir. 1990), which provides additional guidance as to whether a compromise should be approved. *Justice Oaks* established a four-part test for approval:

- (a) The probability of success in litigation;
- (b) The difficulties, if any, to be encountered in the matter of collection;
- (c) The complexity of the litigation involved and the expense, inconvenience and delay necessarily attending it; and
- (d) The paramount interest of the creditors and a proper deference to their reasonable views in the premises.

17. The Settlement Agreement satisfies the *Justice Oaks* standard.

18. Applying the foregoing, the terms of the Settlement Agreement satisfies that four-part test relating to the Rule 9019 request. The Trustee believes that notwithstanding the likelihood of success in potential litigation, the expense, inconvenience and delay that would be caused by litigating and the uncertainty of the collection of the monies owed would not be in the best interests of the Debtor’s estate. Therefore, it is the belief of the Trustee that after full and careful consideration of the merits of the Trustee’s claims, settlement of the claims pursuant to the terms set forth herein and in the Settlement Agreement would be in the best interests of the Debtor’s estate.

19. Additionally, counsel for the Trustee is mindful of the additional administrative expenses that will be incurred in the event that the Settlement Agreement is not approved. The Trustee believes that resolution of the above-referenced matters in the manner set forth herein and in the Settlement Agreement is reasonable and falls well within the range of reasonableness as required by Rule 9019 of the Federal Rules of Bankruptcy Procedure and applicable law.

**WHEREFORE**, the Trustee respectfully requests that this Court enter an Order in the form attached hereto as **Exhibit “C”**:

- (i) Granting this Motion;
- (ii) Approving the Settlement Agreement in its entirety, in the event that no written objections are filed within the time prescribed by Local Rule 9013-1(D); and
- (iii) Granting such other and further relief as the Court deems just and proper.

**CERTIFICATE OF SERVICE**

**I HEREBY CERTIFY** that a true and correct copy of the foregoing was served on this 15<sup>th</sup> day of April, 2014, via (i) electronic transmission through the Court’s CM/ECF system upon all parties on the attached CM/ECF Service List; (ii) via electronic transmission to all parties on the List of Creditors Who Have Consented to Electronic Service, attached to the original of this Motion; (iii) via electronic transmission upon all parties on the List of Foreign Investors Who Have Consented to Electronic Service, attached to the original of this Motion; (iv) via first class, U.S. Mail upon all parties listed below; and (v) via first class, U.S. Mail upon all parties identified on the Court matrix attached to this original of this Motion, to the extent that

such parties were not already served electronically as set forth herein.
